

Aspergillus fumigatus Medium Extract

Product Information

Protein Name

Alternaria

Cat#

na-3366F

Product Name

Aspergillus fumigatus Medium Extract

Source

Aspergillus fumigatus

Species

Aspergillus fumigatus

Formulation

Lyophilized powder

Storage

Store it under sterile conditions at -20 to -80 °C. It is recommended that the protein be aliquoted for optimal storage. Avoid repeated freeze-thaw cycles.

Product Discription

Aspergillus fumigatus is a species of fungus in the genus Aspergillus, and is one of the most common Aspergillus species to cause disease in individuals with an immunodeficiency. The major allergic manifestations induced by Aspergillus fumigatus are asthma, rhinitis, allergic bronchopulmonary mycoses, and hypersensitivity pneumonitis. This product is freeze dried after filtration and concentration. It contains a high amount of proteins with no medium ingredients and no spores.
