

# Rabbit anti Bla g 1 Polyclonal Antibody

## Product Information

---

**Product Name**

Rabbit anti Bla g 1 Polyclonal Antibody

---

**Cat**

Bla g 1-PAB-15

---

**Allergen Antibodies**

Polyclonal Antibodies

---

**Product Type**

Antibody

---

**seo\_description**

Rabbit polyclonal anti-recombinant Bla g 1 cockroach allergen. No cross-reactivity with Bla g 2. ELISA-validated for specific Bla g 1 allergen quantification.

---

**Host**

Rabbit

---

**Isotype**

Rabbit Polyclonal

---

**Immunogen**

Recombinant Bla g 1

---

**Specificity**

The pAb contains IgG antibodies to Bla g 1 and does not react with Bla g 2.

---

**Storage Condition**

Store at 4°C

---

**Form**

Liquid

---

## Rabbit anti Bla g 1 Polyclonal Antibody

### Application

---

ELISA

---

### Description

---

Rabbit anti Bla g 1. Rabbit Polyclonal antibody. The pAb contains IgG antibodies to Bla g 1 and does not react with Bla g 2.
