

## Rabbit anti Ara h 2 Polyclonal Antibody

### Product Information

---

**Product Name**

Rabbit anti Ara h 2 Polyclonal Antibody

---

**Cat**

Ara h 2-PAB-03

---

**Allergen Antibodies**

Polyclonal Antibodies

---

**Product Type**

Antibody

---

**seo\_description**

Rabbit polyclonal to natural Ara h 2, major peanut 2S albumin allergen. IgG, ELISA-validated. For peanut allergen detection with broad epitope coverage.

---

**Host**

Rabbit

---

**Isotype**

Rabbit Polyclonal

---

**Immunogen**

Natural Ara h 2

---

**Specificity**

The antiserum contains IgG antibodies to Ara h 2

---

**Storage Condition**

Store at 4°C

---

**Form**

Liquid

---

## Rabbit anti Ara h 2 Polyclonal Antibody

### Application

---

ELISA

---

### Description

---

Rabbit anti Ara h 2. Rabbit Polyclonal antibody. The antiserum contains IgG antibodies to Ara h 2
